Dear Sir,

While in Cornwall last month I saw ^{some} ~~the~~ menu cards provided by you which showed game-cocks. Unfortunately there were only three available where I was staying.

I am now writing to ask if you ~~could~~ would provide me with the references to your sources of information on these birds, ~~to~~ to shorten my searches in the libraries in Cambridge.

The reason for my interest is that I am engaged in compiling a dictionary of the Iban language spoken in Sarawak, (Malaysia). ~~and~~ ~~the~~ ~~then~~ ~~I have collected a number of their~~ ~~The Iban use fighting~~ ~~cocks for ritual purposes.~~ Cockfighting among the Iban has developed from a ritual into a major sport ~~and~~ and I have a fair collection of technical terms including a series of the ~~colours~~ colours. I would like to be able to give the proper English equivalents ~~as well~~ for as many of these terms as ~~as descriptions~~ ~~whenever possible.~~

I enclose a stamped and addressed envelope for your use, seeing that this ~~copying is probably unethical is a private~~ thing is ~~not~~ probably ~~unethical~~.
